

FAQ's - Visitors Information

Attendance

If you are worried about attending on your own then there is no need to. At our meetings our lady members volunteer to be visitor hosts. This means that once you have been welcomed by the Agent at the registration desk, she will introduce you to a visitor host who will ensure that you are introduced to members and made to feel welcome.

Business Pitch

Visitors may make an introduction to the group they are not excluded. We have an informal business pitch which is optional. You can conduct this seated, standing or at the front and it is conducted in such a way that ladies can choose which way suits them best. You may only pitch your core business, multiple business pitches are not permitted.

Visiting Groups

You may make two visits to any of our groups before deciding if it is the right network for you. There is no hard sales pitch from the Agents. We will ask as you leave how you have found the meeting and if you would like to visit again.

Business Cards

We encourage you to bring business cards to the meetings to pass to our members, we even provide pink business card boxes for you to pop them into. You may also remove business cards from these boxes.

Literature

As a visitor if you wish to distribute leaflets or other forms of literature you would need to pre book and pay for this service with the Agent.

Products

Pink Link can provide an Exhibition Tables at any meeting and you do not need to be a member to hire one. If you wish to display any type of retail products this is the most effective way to do so, contact the local Agent to book one.

Registration and Payment

As a visitor you will be required to pay a small visitor fee. We ask all attendees to register ahead of the meeting to ensure that we can correctly prepare. We will also generate a badge for you to display your name and company name, so we ask you to correctly input these details when you register.
